From (Name) W.E.SMITH, Esq., M.A.,
(Designation) Ag: DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,
LAW AND EDUCATION Department.

Sir,

I have the honour to address Government regarding the opening a hostel from June 1931, for the benefit of the students in the Government Secondary School for Girls, Bellary.

2. The Inspectress, III Circle, while emphasizing the need for the establishment of a hostel reports as follows:

"Four pupils from Cuddapah and Kurnool have joined Form IV this year, 3 are residing in the Hindu and Christian hostels attached to the Government Training (P.T.O)

Training School for Women at Cowl Bazaar, which is over a mile away from the Secondary School, and 1 stays with a teacher. Three girls from the Middle Forms are residing in a private boarding house. Some very respectable parents from outside Bellary expressed to me their regret that they could not give Secondary Education to their girls for want of a hostel. The High School classes would be much larger if a hostel were to be opened".

The Inspectress expects that at least 12 pupils will join the hostel if one were opened. I agree with her in thinking that there is no doubt that the High School will develop more rapidly and serve a wider area than is possible at present, if a hoste is provided and accordingly support her proposal.

3. The cost, of the scheme in 1931-32 will be as detailed below.-

RECURRING:

1. House rent at Rs.25 per mensem for 9 months from June 31.	..	Rs.225/-
2. Wages of Cook at Rs.10 per mensem for 9 months.	..	90/-
3. -do- Sweepers, Scavenger at Rs.5/- p.m.	..	45/-
4. Waterman at Rs.5/-per mensem.	..	45/-
Special Pay for Part-time Matron at Rs.15 per mensem.	..	135/-
		Rs.540/-

NON-RECURRING:

Cost of utensils.	..	Rs.150/-

The ultimate annual cost will be as worked out below.-

House rent at Rs.25 per mensem	..	Rs.300/-
Wages of Cook and other Menials.	..	240/-
Special pay for Part-time Matron.	..	180/-
		Rs.720/-

As in the case of the hostels attached to Training Schools for Women the wages of the Cook and other menials may be met from Provincial funds as long as the strength of the hostel does not exceed 20. When it exceeds this figure, the expenditure will be met by the boarders from their own funds. and the ultimate cost will be reduced to Rs 480

4. I am including provision for this scheme in Part II of the Budget Estimate for 1931-32.

I have the honour to be,

Sir,

Your most obedient servant,

Govt Secy. school for girls, Bellary

Opening of a hostel-D.P.I's letter, R.C.C No.296 A/30, d/ 3-9-30

The D.P.I proposes that the entire rent of the proposed hostel should be met by Govt. Ordinarily, the rent charges of hostels attached to secondary schools are borne by the inmates of the hostels. The D.P.I is requested to report why the charges in the present case should not be so met.

2. The Director also proposes that the wages of the cook and menials in the hostel may be met from Provincial funds so long as the strength of the hostel does not exceed 20 girls. On the analogy of the hostels attached to training schools for mistresses. In the case of training schools the charges referred to above are borne by Govt as a special case. The Director is requested to explain the necessity for extending the concession to the inmates of hostels attached to secondary schools for girls. The Govt note that the demand for a hostel attached to the secondary school at Bellary has come from 'some very respectable parents' who wish to educate their girls Such persons might be expected to pay rent charges and other expenses

Station Madras, *Dated the* 29th October 1930 19

From (Name) R.G. Grieve, Esq., M.A., C.I.E.,
(Designation) Offg. Director of Public Instruction

To The Secretary to the Government of Madras,
Law and Education Department.

Sir,

In reply to Government Memo. No. 2167 B-1 dated 7th October 1930, I have the honour to state as follows:-

2. The reason for not proposing recovery of rent charges from the inmates of the hostel was that no rent is charged at present in any hostel attached to a Government institution for women or girls. There is however no objection to charge rent for the inmates of the hostel at a small rate Viz., 8 annas a month as in the case of hostels attached to certain boys' schools.

3. In regard to the wages of cook and other menials, I have to state that it is very important that

when the hostel is first started, the boarding charges are not so prohibitive that pupils cannot afford to join the hostel. Boarding charges including the wages of menials when distributed among 30 inmates or more will be much less than if the hostel contains only 10 or 12 inmates. It is not only that the share per head for service is 1/30 instead of 1/12 of the total expenditure on this item but that the same quality and quantity of food can be provided more cheaply per head for 30 than for 12. Further. whatever the number of inmates, charges in cleaning and lighting will be approximately the same, since they depend more on the size of the house than the number of inmates.

4. The possibility of establishing such a hostel satisfactorily depends upon the assistance of Government while the hostel remains small. To keep the boardin charges within practical limits it is desirable that Government should meet the expenditure proposed for the wages of menials until the strength of the hostel exceeds 20.

I have the honour to be,

Govt. Secondary School for girls, Bellary — Opening of hostel

The D.P.I. proposes that a hostel may be opened for the benefit of the students in the Govt Secondary school for girls, Bellary. The cost of the proposal is Rs. 690 in 1931-32 (Rs. 540 recurring +150 non-recurring) and Rs. 720 in subsequent years. The institution has not yet developed into a full high school. Form IV was opened in July 1929 and the opening of the V form in the current year and of the VI form in the next year has been sanctioned. The school is located in a private building on a monthly rent of Rs. 20. The hostel is also proposed to be held in a rented building on a rent of Rs. 25 a month. The Inspectress expects that at least 12 pupils will join the hostel. It is for orders whether the proposal for the opening of the hostel may be accepted or whether, in accordance with the decision in the similar case dealt with in ~~present budget financial outlook~~,

2. The Director states that
some very respectable parents
from outside Bellary have expressed
the need for a hostel at Bellary
In case a hostel is to be opened is
not clear why such parents should
not meet the rent & other charges
of the hostel. The Director recom
mends that the entire charges should
be met by govt on the analogy
of training school hostels. It
does not appear that the analogy
will hold good. In the case of training
schools, in view of the need for
trained teachers for schools the
govt have exempted teachers
undergoing training from rent
charges for hostels. They have also
been meeting the wages of cook
menials in those hostels in cases
where the number of boarders is
less than 20. There is no such
understanding in the case of secondary
schools for girls. If the hostel scheme

is to be considered in the present case, a reference may be made to the D.P.I. on the point mentioned above

In any case I fear the scheme will have to be postponed, but there is no harm in raising the question referred to above as it will or have to be settled sooner or later ~~Perhaps~~ D.P.I. may be addressed

The Director states that the reason for not proposing recovery of rent from girls in the proposed hostel was that no rent is charged at present in any hostel attached to a Govt. institution for women or girls. With regard to this it is said that ~~the~~ the general exemption ~~from~~ rent has been sanctioned for girls in secondary ~~schools~~ residing in hostels. Many training classes for women are attached to Secondary

secondary schools for girls it
is possible that in the case of hostels
opened in ~~[illegible]~~ these Combined schools
girls reading in secondary school
classes have also been admitted and
that no rent is levied from them.
Rec. Director however agrees to grant
Rs 5 a month a reduction per head as being
charged in this case: his case may
be accepted. His proposal that
the wants of the Cork and Memials
may be met by Govt until the strength
of the hostel exceeds 20 may also
be approved

It is for orders whether the scheme
may be postponed as asked by the D.
as per ps ante If it is to go forward
the file may be sent to Ex.a.
